
Puzzle With Your Friends Crack Cd

Download ->>>>>> <http://bit.ly/2NHR4GA>

About This Game

Puzzle alone, with or against your friends - several artworks from indie-games and artists are available! Beside the singleplayer-mode the game offers several multiplayer-modes. Play a relaxed puzzle together with your friends on Steam or challenge them to exciting matches!

FEATURES

- Singleplayer- and different multiplayer-modes (Co-Op and Versus)
- 23 fantastic and hand-drawn artworks from different games and artists*
- Compete with your friends and other players on the Steam Leaderboards
- Integrated multiplayer chat-system
- Includes Trading-Cards, Achievements and Emoticons!

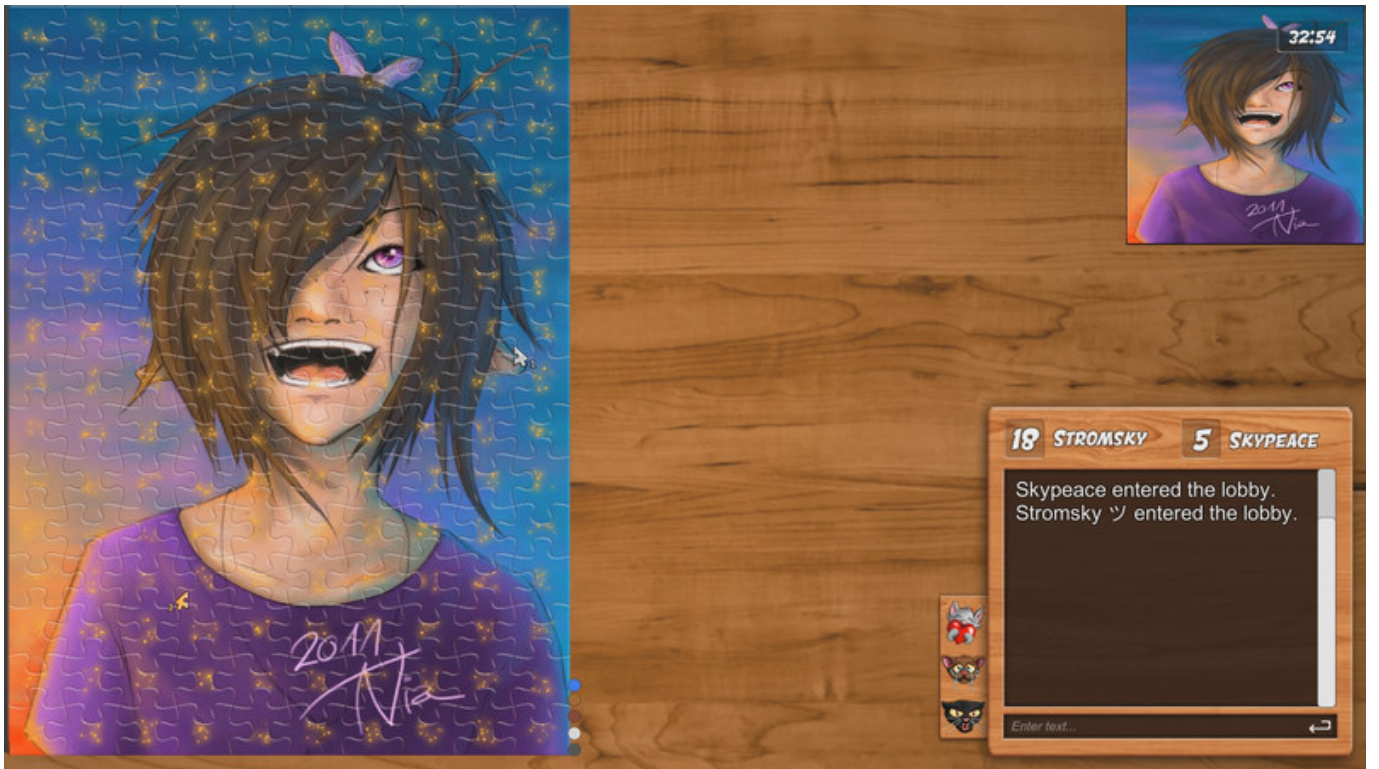

* We will add more artwork and also new modes and features gradually!
