Is ridiculous that you have to pay to unlock every wrestler. The WWE 2K19 Accelerator does exactly what it states; It unlocks all the wrestlers and alternate attires without you having to do the grinding for credits to purchase them. Considering that there are no objectives or in game challenges to unlock any of these things it doesn't take away from the game-play or skip progressions applying the Accelerator. I would recommend using the Accelerator and dumping any credits earned into your myCareer wrestler.. Is ridiculous that you have to pay to unlock every wrestler.
